### **How to order Tapes, CDs or Videos**

Cassette tapes will have two sermons per tape and can be done as a series. CDs will contain two sermons and can be done as a series. Because of the time involved, CDs will take longer to create.

Audio Cassettes/CDs will cost each cost \$3.00.

Series tapes/CDs come in protective folders and prices do not include postage. Postage cost depends on the amount of tapes being mailed. If you purchase \$50.00 or more in tapes/CDs we will pay the postage.

You will also notice throughout this catalog that some of the lessons have a star (\*) by them. This indicates that we also have that lesson on video tape. If you would like to have a copy of that, we can send that for the price of \$3.00 per tape. You may have more than one lesson put on a video cassette. Again, this price does not include postage.

We hope that this catalog will be of great service to you and that you will continue to use this ministry for all your cassette and video needs as we send the message to all the world.

Beginning in April of 2004, Southern Hills Church of Christ hired Phil Ware to be our new pulpit minister. Phil came to us from Austin, Texas. You will find his series of sermons listed first in this catalog and then proceed through the other ministers that have been with Southern Hills previously.

You might also want to know that if you are interested in hearing the sermons as they happen we are now live streaming them online. The following website will allow you to hear the sermons as they happen:

<http://www.southernhillschurch.org/ra.php>

Then should you want a copy of the sermon you can email us at [shcc@southernhillschurch.org](mailto:shcc@southernhillschurch.org) and we can get you the sermon on audio cassette, CD or video tape.
